

Remote Learning - Week 4 - 25.01.2021

Class 1

Each week your pack will include:

Literacy Activities x 2

Reading Activities x 3

Maths Activities x4

+

Understanding the World Activities

Expressive Arts and Design

Physical Development

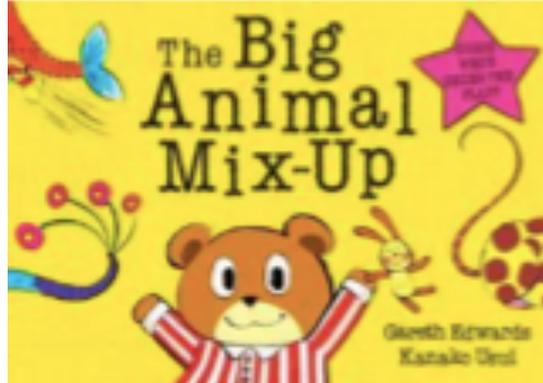

Please upload your fantastic work to your portfolio on Class Dojo and I will send feedback every Friday.

I can't wait to see what you get up to!

Mrs Sothcott

Literacy

Story of the week: The Big Animal Mix-Up

Have a look at this front cover. What do you think the story will be about? Why do you think that? What clues can you see on the page?

You might have this book at home. Read the story or listen to it [here](#).

Talk about the story with your grown-up.

Which words rhyme in the story?

Why would it be strange for a fish to have fur or a cat to have wings?

Do you think whales, or any animals, wear pyjamas?

Nursery Challenge 1: Can you mix up two animals and draw your new creation? Can you think of a name for your new animal?

Nursery Challenge 2: Can you match the rhyming words from the story?

Reception Writing Challenge 1: Can you mix up two animals and draw your new creation? Can you think of a name for your new animal? Label your picture or write a sentence about your new animal.

Reception Writing Challenge 2: Can you match the rhyming words from the story? Write the rhyming pairs using 'and' to join them. E.g. 'that and cat' 'mistake and snake'

Reading & Phonics

Reception TEAMS Phonics (Phase 3) Pre-recorded:
TEAMS → Class 1 → Files → Class Materials → Phonics → Week 4

Reception and Nursery TEAMS Story time Mon-Thurs 11.30am

Login to Phonics Play (username: jan21 password: home)

If you have limited books at home please access books on the Oxford owl website where you can create a username and password for free.

Nursery Challenge 1: Choose a book from home. Do you know which way up to hold it? Help your grown-up to turn the pages as they read it to you.

Nursery Challenge 2: Login to Phonics Play → Resources → Phase 1 → Super Smoothie Have a go at finding the correct rhymes. You can play this as many times as you would like - it changes each time.

Reception Challenge 1: Practice your Phase 3 sounds from last week on BBC Bitesize.

Reception Challenge 2: Read the Phase 3 Comic on Phonics Comics 'Pet Vet' 'Buzz'.

Reception Challenge 3: Can you read any two letter words without sounding them out? For example: am in, of is, it, up.

Maths

Nursery Challenge 1: Learn some counting songs! You know some already. Keep practicing!
These might be: 5 little speckled frogs, 5 little ducks, 10 green bottles.

Nursery Challenge 2: Let's look at the number 6. Collect 6 things from around the house and take a photo.

Nursery Challenge 3: Have a look at the 6 items that you collected. Can you put them in order from smallest to largest and then largest to smallest?

Nursery Challenge 4: Have another look at the 6 items. What colours can you see? Are they all the same colour? How many of each colour do you have?

Reception: Work through the sessions *Alive in 5! Week 2* on the [White Rose Website](#)
There are powerpoint slides, a video and an activity for each session. Use things around your house to help you. You might use lego bricks, buttons or counters. Think about what we use at school when we do maths to represent our numbers.

Reception: Practice forming your numbers. With numbers we start at the top!

Understanding the World

Fact Finder

Find out 3 facts about your favourite animal. You might find these websites useful...

National Geographic Kids

Little Owls

PSHE

World of hugs

Phone or video call your friend.

Create a list of 5 or even 10 things you like about them.

Take turns saying one thing you like best about each other.

Jar of joy

Find an empty jam jar and decorate it. Every day, put a positive word that starts with the first letter of your name into the jar.

For example, if your name is Jake you could use "joyful", "jolly", or "jazzy".

Expressive Arts and Design

Handprint animals!

Have a go at printing and turning them into animals.

Animal Collage

Have a think about your favourite animal or maybe the animal that you have already created.
What does it feel like? What do you think it would feel like?

Create a collage of your animal using different materials around your home. You could use feathers, tissue paper, newspaper, paint etc. Be creative!

Physical Development

1. In the last 2 weeks of term we started to dive into a bit of yoga at school. The children have really enjoyed it so why not have a go at home! Cosmic Kids is great for children, but also great fun for adults to do alongside. Have a go at this [Safari Adventure session](#).
2. Try one of [Andy's Wild Workouts!](#)
